## Pervasive Hope Starts With Me

SEPTEMBER 2016 UPDATE

### ALL IN

is an initiative of the Rock Church to bring Pervasive Hope to San Diego and beyond. By carrying God's love to our neighborhoods and our world, we are seeing people discover the peace and joy that comes only from the Lord of Heaven and Earth. Below are some of the major projects we are working on in the months ahead - all designed to point people to Jesus.

**Isaiah** 55:11 says that God's word does not return void. When someone hears the Gospel message, it pierces their heart and creates an encounter with God. Pastor Miles has dedicated his life to sharing the message of God's love with as many people as possible. Through social media and other tools, a simple but powerful video presentation of the Gospel (created by Rock Church) has been viewed nearly 25 million times in the first eight months of 2016. Of those who viewed the Gospel presentation, 379,899 have responded that they prayed to receive Christ! This fall, with your support, we plan to release even more presentations of the Gospel online, trusting that God will use it to bring even more people to Himself.

### Toys For Joy 2016

**What** do the children in your life want for Christmas? Perhaps you already know. Some kids will get many of the things they asked for. Some kids will ask for a single toy, and their parents will feel a pang of sadness knowing they won't be able to provide it. These families struggle just to pay for the basics in life - food, housing, clothing. Through this year's Toys for Joy events across San Diego County, Rock Church hopes to provide 25,000 toys, 15,000 bags of groceries, and 200,000 articles of clothing and shoes to brighten the lives of thousands of families in need. We hope you choose to be one of the many in the Rock Church family who gets to experience the satisfaction of giving to the less fortunate this Christmas.

**The** Rock Church has been involved in Jeremie, Haiti since a devastating earthquake ravaged the country in 2010. Today, Rock missionaries in Haiti operate a Super Kitchen which can feed 1,000 malnourished children a day, a discipleship training school for young adults, and an orphanage with two homes: one for boys and one for girls - with three more homes under construction. In the coming months, we hope to have the funds to build a soccer field on the orphanage property. The field will not only provide a place for the children in the homes to play, but it will also be a resource for the entire community. You can help make this a reality for the people of Haiti.

### North County Campus

**Rock** Church North County has reached capacity at its current facility. So it's time to go where we can grow - and continue spreading Pervasive Hope throughout the region! God has miraculously provided a new campus home that is larger and in a much better location - right in the heart of San Marcos. Through your generous support, this new site will allow the Rock Church to be a brighter light to North County communities and reach even more people with the life-giving message of Jesus Christ.

## Let's Do This!

**B**ringing Pervasive Hope is what the Rock does. We are on the move, taking God's love to a new campus in North County, to the soccer field at the orphanage in Haiti, across San Diego through Toys for Joy, and all around the world through online evangelism. Join our efforts by supporting the Rock Church and the ALL IN initiative. Together we will change the world.

During our All IN initiative, we would love to hear YOUR stories of God's faithfulness. James 1:22 instructs us to be "doers of the Word, not just hearers." When we become doers by being ALL IN, amazing things will happen.
