## Dear Rock Family,

**2016** has truly been an incredible year. God has been so faithful and we have seen Him move in big ways all over the county and around the world. So far this year we have seen 15,317 salvations on Sundays and through our ministries, along with 24,780 people coming forward for prayer or rededication. In addition, over 34 million gospel videos have been shared online, resulting in more than 450,000 people responding that they prayed

to receive Christ. And the numbers keep rising! City Heights campus had an incredible first year of ministry, and North County campus found a new home for their growing community, which we are now calling Rock Church San Marcos! Our global outreach teams came to the aid of thousands of people in Jeremie, Haiti where we distributed 56,000 meals after Hurricane Matthew devastated the city.

Every time I think it can't get any better, God reminds me that He is bigger than my better.

Thank you for supporting the Rock in 2016. As we look forward to 2017, I'm asking you to wait and pray with great anticipation to see what God is going to do through Rock Church in our community locally, nationally, and globally. Praise God that He desires to do abundantly more than we can ever ask or imagine!

Your Pastor,

**We** moved in 2016! God provided a new building that will let us tremendously increase our impact on the community. We're so grateful for the incredible generosity of our church family that made it possible, and we can't wait to see what God does through our new location in 2017!

**Micah Whitley**  
*City Heights Pastor*

**We** saw God do ALL KINDS of amazing things in 2016: hundreds of salvations and healings, and thousands of people receiving prayer! Seeing God show up in such a mighty way throughout 2016 has made us even more excited for 2017. We truly want God's love to be famous in City Heights and the surrounding communities!

**2016** was a great year for Point Loma to unify and grow as a campus. We experienced teams and ministries working together like never before. Each Sunday we average more than 530 volunteers who serve in every capacity from nursery to traffic control. We know that God is preparing us for some amazing things in 2017.

**Ricky Page**  
*East County Pastor*

**In 2016**, the Lord increased attendance at the East County campus and brought many people here for the first time, and to salvation! God also used our pastors to support and encourage El Cajon city officials as they waded through the waters of civil unrest and local tragedy. Next year, we look forward to the Lord expanding the square footage of our sanctuary so that we can welcome another 400 people each Sunday.

**2016** has definitely been a year of growth for Rock Church San Ysidro. The "At the Movies" series drew many new families to church for the first time! Today, those same families attend and serve at Rock Church San Ysidro full-time; they're ALL IN! In 2017 we expect to see even more people come to Jesus, and more lives transformed by the Gospel. I believe God will continue doing the miraculous and the supernatural in the South County!

*San Ysidro Pastor*

## Because Of You...

We hope you are encouraged by the impact that is made possible through your giving to the Rock Church. Thank you for partnering with the Rock and the Lord to SAVE, EQUIP, and SEND. Your giving makes a priceless difference to the community and allows us to continue finding new ways to share God's love with others. We want to close out this year strong and start 2017 even stronger. Your faithful generosity during the month of December will allow us to continue establishing Pervasive Hope throughout San Diego and beyond. As you prayerfully consider your year-end giving for 2016, we pray that God will stretch your faith and prove His faithfulness to you.
