## The Sinner

As sinners we have a blurred IMAGE of our supernatural responsibilities and potential. It is critical to understand the five ways our image has been distorted and most importantly, the method of restoring it back to its original form.

- Monday** Romans 1
- Tuesday** Romans 2
- Wednesday** Romans 3
- Thursday** Romans 4
- Friday** Romans 5
- Saturday** Romans 6

# A Message from Miles

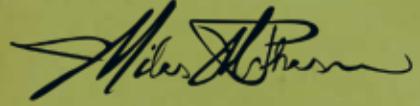

**T**hank you for joining us and welcome to the Rock Church. After 7½ years and 33 moves, God has blessed us with our first permanent home. I'm so excited about how God is going to use our new home to help us accomplish our mission to save, equip and send out soul-winners for Jesus Christ.

Over 6 weeks I'll be teaching a series called Image is Everything. Because so many people are preoccupied with their personal image, it is critical to understand what the Bible has to say about image. The very first book and chapter of the Bible tells us that we were made in the image of God. The rest of the Bible is spent telling us about God. The more we learn about God and how He wants us to be like Him, the more our intended self image will be made clear.

This series will also serve to review who we are as a church as we begin our life over in this new building. Many of you are new and are in the process of choosing a church. A critical step in that process is clarifying what the church believes and represents.

To watch or podcast the message, take a 360 degree virtual tour of our new home, or just plug in, please check out our new website, [www.therocksandiego.org](http://www.therocksandiego.org).

See you next week,

Miles McPherson  
Senior Pastor at the Rock Church

# 360 Degree Virtual Tour

God has provided this building, and we extend an open invitation to visitors from all walks of life. The activities with these walls form the fabric of our existence, based on the understanding that God has a divine purpose for our lives. The Rock Church and Academy houses people, programs, and ideas that are transforming San Diego and influencing the world around us.

We believe God directed the construction of this building, and there are many physical elements of the structure that form biblical symbols which points us toward God.

We invite you to discover the building symbolism of the Rock Church and Academy in our online 360 degree virtual tour available now at [www.therocksandiego.org](http://www.therocksandiego.org).
