## WHO I AM

the story of Arthur Araujo

**A**rthur Araujo thought he was a lot of things. After all, others had been telling him that ever since he figured out he wasn't like any of the other boys at school.

To say the insults hurt him doesn't begin to tell the story. They shaped him. They tormented him. They put him at war with himself.

One day, after a lifetime of searching, he found out who he was. It turns out, they were all wrong.

*Faggot. Homo. Queer. Sissy. You're going to go to hell.*

“THEY SHATTERED MY HEART.”
