IT started out as a simple list. It was Tamela Reed's inventory of all she knew she would need once she became debilitated by chemotherapy treatments.

That list is the template for what would become Cancer C.A.R.E., the Rock's cancer ministry lead by Tamela. It's what the ministry uses to focus their efforts. It helps them stay on mission. And they never veer from it.

But God called an audible. For today, they now have a new mission.

Her name is Janet Liang.
