THE LETTER

The Story of Greg Majercin

It was Rudy Mathew's turn to give his speech. He strode up to the front of the room to read his deceased dad's letter to him as a part of his presentation. His high school class was notorious for giving classmates a bad time and Rudy fully anticipated it—especially from the chief instigator in the 6th row, sophomore and sophomore Greg Majercin.

When Rudy began to read the letter, the snickering began. But Greg fell silent. There would be no barb or jab from him today. Somewhere, deep down inside, he knew he was never going to be the same.
