Did becoming the pastor of Rock Church North County (NC) come as a pleasant surprise? *Not at first! I loved what I was doing as the Rock's Outreach Pastor but once I knew God was at the center of it I got excited. It's been more of everything than I anticipated: from difficult to glorious.*

How has your wife acclimated? *Change is always tough and like me, she had no idea what to expect. But she loves the fact that we've been called to the Rock NC and can't get enough of the culture and people.*

What has surprised you the most about your first months as the pastor? *How much God can do in spite of us. I often think I have to make things happen on my own. Whenever I do that, God shows me it's all about Him and I really just need to get out of the way.*

What have been the biggest challenges? *Launching the church with one service every Sunday would have been daunting enough, but four? I thank God for all the volunteers. By the way, we need more!*

Is the church growing? *Yes! We're even experiencing growing pains. But not growing would have its own pains so I think in the end, it's all a painful process. Still, I wouldn't have it any other way. God has been so faithful.*

Of course no one has complained about the job you're doing, right? *Well let me answer that this way - it's great to be reminded to be humble.*

barefoot sunday

ALL DAY • SUNDAY, JULY 29
SDROCK.COM/E10487

Did you know that more than 300 million children around the world go without shoes? Meanwhile in America, 1.5 billion pairs of shoes clutter up closets and often end up in landfills. On Sunday, July 29, help your unused shoes find their sole mates! Bring them to the Rock and we'll send them to people who go barefoot everyday.

WORSHIP: OPEN AUDITIONS

Do you love to worship the Lord? The Worship Arts Ministry is holding open auditions for the band and choir. Opportunities exist for all levels. For deadlines and more information, visit sdrock.com/ministries/worship.

NEW UPCOMING SERIES

Have you ever watched a movie and realized there was a deeper meaning behind the story? In this new messages series, we will unpack why great movies work and how they reveal God's truth.
