It wasn't long ago that Cliff Elledge felt burned out. He had spent years helping two church plants navigate through the process of growing their congregations. It was hard, draining work, and now Cliff felt the need to take it easy for awhile. He was hoping for a chance to finally tend to his own needs for a change. His wife Leigh Anne agreed. Cliff had no more to give.

But one day, he and Leigh Anne walked into the Rock Church for the first time. He looked toward the stage and suddenly everything changed.
