Q. How did you get the job to be the Design Director at the Rock?

A. *I was in the industry in Maryland. Miles asked me to help him at the Rock when it was being built. I came out and basically never left.*

Q. Do people wonder why a church would have a full time designer?

A. *All the time! But between designing events, the lobby, the Marriage Getaway, the satellite campuses and all the offices of the Point Loma campus plus Rock Thrift and DLush Lounge, there really could be a couple of me.*

Q. Did Miles ever tell you what he wanted as a basic approach for Rock's main campus?

A. *He wanted it to feel like home. That's why every color and texture has been chosen to make you feel warm and cozy.*

Q. You chose to put Bible verses on the arm of every chair in the sanctuary? Why?

A. *Every now and then, this building will be used for a non-church event. We want everyone who comes to be touched by God.*

Q. When did you know that you had an eye for interior design?

A. *When I found I had to rearrange beds, furniture, pillows, change colors, everything before I could feel good about it. I was about six.*

Q. You did this to your room?

A. *Everyone's.*
