ROCKPILE BOOKSTORE

- Do you know what to do after a disaster? Come to the Rockpile Bookstore and pick up your copy of The Red Guide to Recovery.
- This award-winning book is designed to walk disaster survivors step-by-step through the recovery process.

IT was a time when God was fulfilling all the desires of my heart. He seemed to be showing me that all I needed was Him. He had removed me from a relationship that I shouldn't have been in. I had been offered a dream job at the Rock Church and my son was about to go to a private school. I liked my life more every day.

I was in the Rock offices and wanted some coffee. As I walked to the kitchen, I prayed, "Dear God, thank you for all the ways You have blessed me. You have removed all distractions; my eyes are completely on You. There's not one guy here that I'm even slightly attracted to..."

Just then a guy walked past me dawning a bad boy style that I had always been attracted to. I actually turned and looked. I immediately felt drawn to him. I turned and walked to the kitchen, got a drink of water and leaned against the counter, deep in thought. I had just felt a wave of attraction to a man and I didn't even see his face.
