MERRY CHRISTMAS From DLUSH! Buy one hot drink, get one half off!

**W**hen Ken Davis was asked by his friend to come and be a part of a ministry that cares for folks at a nearby convalescent home, Ken was a little bummed out. Actually, he was a lot bummed out.

"I was good with kids and playing wacky games and telling funny stories and had absolutely no interest in spending time with old people in a group home," said Ken. "I told him I would go, but boy, was I dreading it."

When Ken walked through the doors of the convalescent home, he walked into a new life. For Ken, it was like coming across a shameful secret society, a dark corner of existence that most people don't know is there or don't want to look at long enough to truly feel the tragedy of a convalescent home. His heart broke immediately.
