The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

Call it a trifecta.

In the same week I was let go from my job as an advertising copywriter in New York City, my wife, Nicole, and I learned we were being evicted from our apartment building, and we found out that Nicole was pregnant. No income. No place to live. We had one kid and one on the way. It was like being asleep and then suddenly waking up to find that I'm driving straight toward a cliff.
