The Mission of the Rock Church is to Save, Equip and Send.

**Miles McPherson**, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of [DoSomethingChurch.org](http://DoSomethingChurch.org) - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

## UPCOMING EVENTS

**What is the range of issues you may have to handle?**  
We receive many calls and emails each day ranging from people requesting help with groceries and clothing for their family to full blown crisis situations like suicide. We also help those who have been struggling with depression, grief, infidelity, pornography, marriage conflicts, parenting, spiritual battles, and the list goes on.

**Is there one type of crisis that you get more than any other?**  
Most of our crisis calls are people who are being evicted from their homes, needing basic necessities, or experiencing severe emotional pain and need to talk to someone who is close to God. They know that they can find help and direction at Rock Church because we care about people.
