The Mission of the Rock Church is to Save, Equip and Send.

**Miles McPherson**, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

Alanna's five-year-old son, Adam, had always been the kind of kid who was gregarious, happy, and quick to laugh or make someone laugh. Even when Alanna and her boyfriend and Adam's dad, Mark, had separated just two weeks earlier, Adam seemed to take it in stride and kept a smile on his face. He even maintained his usual good humor as Alanna and Mark began the process of swapping him back and forth between their homes.

But Alanna knew that a crack in Adam's sunny demeanor was sure to appear someday and in some way. No boy loved his dad as much as Adam loved his and doesn't show signs that his heart is taking a hit. What Alanna didn't expect was that the hurricane was to come this day.
