The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

MATRIX FOR MARRIAGE

UPCOMING EVENTS

ROCK YOUTH // 7.1
Point Loma Campus • 6PM

FOR MORE UPCOMING EVENTS, VISIT sdrock.com/events

BY: JASON NEESE

June is commonly known as the month for weddings. And when we think of weddings, most of us think of white, flowers, family, hot churches and an aunt or uncle that maybe had a little too much champagne. There are kids that look cute in their dressy clothes and wedding cake on the groom's nose. What most of us don't think of is the absolute profundity of the moment, the two becoming one flesh under God, forever.

Marriage is meant to show us the intimacy, connection, and oneness God intended us to have with Him. In a healthy marriage, two people know each other fully, accept each other no matter what, and love one another completely. No matter where you're at in your relationship, it is important to take steps in cultivating a healthy, prized marriage.
