When did you become a Christian?

I became a Christian in 1989 when I was 19.

Are you married? How many kids?

Nova and I have been married for 18 years and we have two kiddos—a 13-year-old boy, Elisha, and a 19-month-old girl, Shiloh.

How did you meet your wife?

I met Nova in college. She was so beautiful I thought she just had to be pagan.

So who liked who first?

Well, I think I would have liked her first, but I didn't think a girl that beautiful would fall for me. In fact, because I knew her brother and had been introduced to her, all the guys I was in college with were asking me to set them up with her. So I did. Several months later, one of my friends came up to me and told me, "Hey dummy, it's you she wants to date." I couldn't believe it.
