The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

It was the busiest period of her life. Paige was working 60 hours a week in a job that pushed her past the breaking point on a daily basis. She was also taking classes at night and studying every moment she could during the day to try to nail down a master's degree.

And just to make life even more interesting, she was trying to plan her wedding to her fiancé, Dan. It was the kind of life that had her regularly ending her day in tears. "This can't go on," Dan would say. That is why it was all the more outrageous that one night Paige sat Dan down and told him that she thought God was calling her to start a ministry to help people find jobs and discover God's calling on their life.

Dan was wide-eyed, knowing Paige's already hectic work and life commitments, Dan discouraged her. "Are you sure right now is the right time to be doing this?" he asked.
