The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

Will's work phone rang. "This is Will," he said, more interested in continuing to look through the stack of papers on his desk than finding out who was on the other end.

"Hi, hon. This is mom," came the cheerful voice. "Hi, mom!" he replied. Will's mom, Connie, almost never called him at work; time zone differences and her own sense of what was appropriate were just two reasons why. Even so, he was not alarmed by the call. He was just happy to hear from his mom, who he loved like crazy. It had been a week since their last phone conversation. "What's going on?" he asked.

"Well...I'm leaving."
"You are?" Will replied as he continued thumbing through his papers. "Where ya going?"

She hesitated. "I'm leaving your dad."
