The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

When Jami Oakley arrived at her boyfriend's house one day and found that the next-door neighbors had moved away leaving their cantankerous pit bull behind for a week, she was outraged. She had spent most of her life on a farm and cared deeply for animals, especially dogs. That's why she had to do something about that pit bull. One would think she would call a local animal protection agency.

"I'm going back there to save that pit bull," she told her boyfriend.

"You're going to go into that backyard and risk your life for that crazy animal?" her boyfriend asked incredulously. "No, you're not."

He obviously had no idea how much she cared.

Arriving at the backyard with her boyfriend in tow, she stood poised at the gate. Her boyfriend stood with his hand on the gate ready to let her in—or swing it open should there be an attack. Then, Jami went in.
