The Mission of Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 150 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. This year, Rock Church expanded to include a campus in south San Diego county and continues on with God's work to reach every street and every person for Jesus.

ROCK CHURCH OUTREACH MINISTRIES

EXIST TO DEVELOP AND SEND OUT SPECIFIC TEAMS WHICH ENGAGE EVERY SEGMENT OF SOCIETY FOR THE SAKE OF CULTURE TRANSFORMATION THROUGH EVANGELISM AND SERVICE.

WHEN MICHELE

Kassa's best friend learned that her son was deaf, Michele got an idea. She decided she would learn American Sign Language to be able to communicate with him. Little did she know she had just opened the door to her purpose and calling. In classes at a nearby community college, she shot out ahead of the other students and reached a level of proficiency in almost no time. Why did she connect so well to ASL?

Her mother reminded her that when she was a little girl, she pleaded for a book she saw at the bookstore that was a highly unusual pick for a girl of seven years old. "It was three-inch thick ASL dictionary," says Michele. "Apparently, I was so enamored with it that my mom bought it for me. Over the next couple of years I devoured it and made my own vocab lists and diagrams. Sixteen years had passed and I had completely forgotten about it. But when I began classes and it was really taking a hold of me, I think that it is clear that God had planted that seed when I was a kid for what was going to happen."

Michele went on to become the leader of Rock Church's Deaf Ministry where she leads a team of 10 interpreters to bring the gospel message to the more than 100 Deaf people that span across all campuses. The challenge is to be able to communicate in a way that is consistent with Pastor Miles' style. "It keeps you on your toes," she says. "How Pastor Miles' communicates is a large part of his appeal and why so many come to Rock Church. Keeping up with Miles and interpreting all of his energy and mannerisms is exhausting—but boy is it fun."

And while getting people to receive the message by signing was the initial task, it hasn't remained the only one. Michele and team have seen the need to bring music to the Deaf in a new way.
