**Did your own altar call experience have anything to do with the position you have today?**

Yes, actually. When I gave my life to Christ years ago, when the Rock was on Ruffin Road, I had this amazing altar call experience. A lovely woman named Brigitte led me through the process. She was so engaging and caring that I felt incredibly welcomed into the family of God. I was really beaming over my decision and new life. But as time went on, I had a hunger to hear from Brigitte again or anyone from the church afterwards. I really needed their support. I remember thinking to myself that if I ever had the chance to do things differently, I would make sure that everybody who responds to an altar call hears from the church in the months after.

**Who would have thought you would have actually gotten the chance?**

It was a miracle. I was in a job that was really crushing me emotionally and spiritually. I was volunteering my time at the Rock, for many different ministries, but when I gave my time to the Altar Call Ministry, that was where my heart really lit up. I tried to parlay that into a job at the Rock, but the position didn't exist and there was no budget to create it. Then, about two weeks after the Rock said no, I got a call from Pastor Shawn saying, "How would you like to never have to go back to that job again?" I couldn't believe it!
