The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

Darlynne sat in the Rock sanctuary feeling convicted to do something to contribute to Pastor Miles' vision of Pervasive Hope. The problem was that her conviction was not accompanied with a solid idea. "I want to do something, Lord, I just don't have a clue what," she prayed.

As a military brat, the ad for the military ministry caught her eye. But they were in need of someone to take the reigns of the ministry and she knew that wasn't for her.

So she dropped it—at least she tried. Two weeks later, the military idea was still knocking around her brain.

She went to the Rock and talked to Rock Outreach Director, Zeb Hill, to find out more about how she could be involved in the ministry. By the conversation's end, Zeb had misunderstood her interest. He thought she wanted to be the leader.
