The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

UPCOMING EVENTS

MERRY CHRISTMAS & HAPPY NEW YEAR!

FOR MORE EVENTS, VISIT sdrock.com/events

Christmas time can be so depressing. It brings out some of the worst features of commercialism and rubs them in our face. You can't escape, whatever your philosophical or religious belief.

Advertisements spur on feelings of guilt if you don't buy enough of the right kinds of consumer products for people you love. Creative financing is offered so that lenders can make even more profit. After all the purchases and returns we are thankful to have survived the "Most Wonderful Time of the Year..."

Yet, even though Christmas catalogs and debt accumulate (all to the near-ominous sound of Christmas carol elevator music), a secret and persistent flame still burns.

It is the flame of a revolutionary hope—hope for a better world, and a more just world. A society where the social order is turned upside down so that the poor are fed, and the greedy are relieved of their ill-gotten gains. It is something that people of any culture, any religious or philosophical background, can relate to.
