The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

By: Kimmie McPherson

*Rise and fall
In the midst of it all
The leaves in autumn and fall
Leaving me restless as I try to crawl*

*I'm in the fetal position
Curled up like a tattered ball
I'm so disrupted, I feel so small
Retreating to my bedside this feels so familiar
Yeah, that thought, that sting, that heart beat,
That tear, all these I recall*

*They clothe me like a water-drenched old shawl
This fitting takes place like clockwork
And I have no intentions of changing my wardrobe
It's become my set protocol*

My name is Kimmie. I have a dad who is the Senior Pastor of Rock Church. I have a brother and a sister, and a wonderful mother. I have a degree and a job. And as you may be able to see from the poem above, I also have depression. It's not something that most people would expect from Miles McPherson's daughter, but it's the truth.
