The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in south San Diego county and continues on with God's work to reach every street and every person for Jesus.

TITHE
CHALLENGE
SDROCK.COM/TITHECHALLENGE

Warren Thompson was at the Rock's 8AM service as usual. It had been years since he first showed up to hear about Jesus, as if perhaps, according to his sister, doing so might help him change his life. As a guy who had gone through a painful divorce, and who had every self-destructive vice imaginable, he knew he needed a drastic change. And by accepting Jesus that first day, he got one. His life took a massive turn.

But now, seven years later, he had no way of knowing that as he was standing and singing worship songs next to his second wife, secure in his faith, that he was about to have life-changing experience number two.

But even after having enough money to build his own beautiful custom home on 3.5 acres on a mountainside, owning fancy cars, and enjoying all the comforts anyone could ever need—he still never felt like God was willing to deal with him. And so, beneath the nice exterior, he was a mess, regularly worrying late into the night, so much so that he couldn't sleep. In fact, he hadn't had a good night's sleep in months.
