The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Michele was a single, highly educated sales rep in the chemistry industry, earning well over six figures, with all the creature comforts that came with it—the posh apartment, the Mercedes Benz, the beautiful clothes—and she was not even thirty years old. Sure, she knew she was probably spending a little more than her paychecks could cover, but with her ability to earn only showing signs of increasing, there was nothing to be concerned about.

But that's where the problem began—that, and the fact that her company decided to yank away a giant portion of her territory. Angry that her company had done her wrong, she took a stand, and promptly quit.

Soon after, she decided to pull all of her bills and bank accounts together to review her financial situation. You have got to be kidding me, she said to herself. I'm \$50,000 in debt?

With no income, bills galore, and a massive amount of debt, she could hardly wrap her head around where she found herself. The girl on her way up suddenly had to figure out how to scale her life down.
