WHO WE ARE

God has guided Rock Church through major milestones and miracles from day one. What began in an SDSU auditorium in February 2000 has grown into an army of soul winners.

Currently, we consist of 4 campuses, 16 weekend services, 30+ microsites, Rock Academy Christian school, and hundreds of active LIFE Groups and Outreach ministries committed to making a difference in the community.

We are excited to see how God will continue to use the people of Rock Church to reach every street and every person in San Diego and beyond.

WE LIFT YOU HIGH

On September 25, 2014, the Rock Church family came together to record our very first live worship album. Thousands of people representing all four campuses – Point Loma, North County, East County, and San Ysidro – joined in unity to lift up their voices in praise as we captured the sounds of our Sunday worship services.

Rock Church Worship's desire is to help people encounter God, and our hope is that you do every time you listen to WE LIFT YOU HIGH!

TAKE ANY GREAT IDEA OR MOVEMENT throughout history. It was once a particle of an idea, a seed, or an infinitesimal action that happened to grow into something that changed the world.

If the Rock Church's Middle Eastern Outreach Ministry becomes the movement that beats the threat of terrorism around the globe as James Elia, the leader of the ministry thinks it will, he can already identify the seed.

"He was a hulking 6'6, 240 lb. man who was dressed entirely in black, with a menacing look on his face, and who had just walked into the investment firm where I worked," says James, a financial advisor. "The first thing I noticed about him was that his hands shook."

The imposing figure had just taken a seat at James' desk. He took another look at the man who was nearly coming undone. James could see that he had just experienced something traumatic. He fidgeted. He moved anxiously. The more the man talked and answered questions about his financial goals, the clearer it became that he was buckling under the weight of a recent event.

James, who had given his life to Jesus four years earlier, had been feeling that he needed to step up and share Jesus with his customers. After all, Jesus was the only one who could turn his heart from cold and hopeless, to crazy levels of joy and purpose. He just never felt that he had found the right time to share.

All that was about to change.
