PROCESS

Noel G. is an actor and producer, known for The Dark Knight Rises, Training Day and The Fast and the Furious. At a young age of 13, his father left him on the streets. He was homeless and hanging with the wrong crowd and a man in his neighborhood (who he later discovered was a pastor) invited him to live in his home on the condition that he hears the Word of God. Noel began to experience success after filming a few commercials, but still felt empty and without hope. Eventually, he came across a man who had nothing, but was still so joyful and it was in this moment that Noel knew he needed what that man had: Jesus.

"Sometimes in life you chase the blessings rather than the Blesser. Sometimes you have to have everything taken away and hit rock bottom before you look up. The way out is through Jesus who died for us on the cross."

When he's not acting, Noel G. is passionate about helping youth. He speaks at high schools, probation camps, and churches about how he turned his life around and how, with God's help, they can too.
