

**For the week of: January 6th, 2002**

**Title:** RAW Faith 5 – Living in Wooland

**Passage:** Joshua 3

**Memory Verse:** “Sanctify yourselves, for tomorrow the Lord will do wonders among you.” **Joshua 3:5**

**Suggested Prayer:** Please pray for the building meetings that will take place in the next 60 days. God is truly moving in those negotiations. Also, pray for how your group will tackle the 40-day fast coming up. Remember it doesn't just have to be food, it could be T.V., Starbucks, or something different each week.

1. Why is it important for us to believe in God's miracles?
2. Appoint one person in your group to document the answers to this question. Go around the group and share a huge miracle that God has done in your life. Then state a huge miracle that you are praying for now (Reconciled marriage, physical healing, family member to be saved, etc..). Next week and throughout this month, your group will hold you accountable to believing that God will perform this miracle through your faith and prayers.
3. Read **Exodus 3:20**, **Ephesians 3:20-21**, and **Matthew 19:26**. How does the Bible describe Woo miracles?
4. Give an example of a circular Woo miracle in your life. How did it affect your faith?
5. When has God told you “no.” What was your response?
6. Explain this statement: “When you put yourself in a position outside of faith for a miracle to happen, it's a sin.”
7. Read **Joshua 4:1-7**. Why should evidence of Woo miracles be collected? How can we collect “evidence?”
8. Read **Hebrews 11:6**. Complete the sentence:  
“If you want to thrive in Wooland, \_\_\_\_\_ by \_\_\_\_\_.”
  - a. How do you know if you are obeying God?

**Homework:** Be diligent to pray about your huge miracle. Journal this week and bring your journal next week to share with your prayer partner what God is teaching you.
