Title: Dragon Fire

Memory Verse: "It is written: 'Man does not live on bread alone, but on every word that comes from the mouth of God.'" **Matthew 4:4**

1. List some facts about the devil:
 - a. Who is he?
 - b. List his names.
 - c. What is his #1 weapon?
2. Please read **Matthew 4:1**. What tactics can we learn from Jesus when He fought the devil? Because He was God, Did Jesus have an advantage over us when fighting temptation? Why or why not? (**Hebrews 4:12**)
3. Satan will attack you in three areas of your life (**1 John 2:15-16**).
4. The first one is the "lust of the flesh" – what is your definition of this and how is the devil attacking you?
5. The second is the "pride of life." Discuss the following statement – "The Devil will tempt you in your perceived strength." List some of your strengths and how you might fall into sin because of them.
6. What is the difference between pride and self-confidence? Is there a difference? (**Proverbs 29:23; Proverbs 16:18; Roman 12:16; Proverbs 6:16-19**.) How has the devil twisted that in our society?
7. The final area is the "lust of the eyes." What is lust? What things do you lust after, maybe even subconsciously?
8. Satan's ultimate desire was for Jesus to worship him. Worship is the bottom line. What does it look like when someone truly worships God? Who, in your life, exemplifies true worship of God? (**Romans 12:1-2**)

Homework: What a great week to replace T.V., movies, music, etc, with prayer and the Word! Enjoy the quiet this week and remember to fill your journal with what God is speaking to you about.
