

For the week of: March 31th, 2002

Title: Easter Sunday

SERMON QUESTIONS

1. What are some things that “angels” have done in the past?
2. What does Hebrews 1:13-15 teach us about angels?
Currently what is their mission?
3. What is happening in your life that would validate the statement that CHRIST IS RISEN INDEED!

DAILY WALK QUESTIONS

1. Read 1 Kings 2:1-4 and list the things which Solomon was charged by David to do. Can you think of any New Testament parallels to these exhortations?
2. Why did Solomon become the richest most powerful King that Israel has had to date? (Read 1 Kings 3:1-14) What does James 1:5-8 teach us about wisdom and receiving it?
3. Sadly, as you read through this book the great glory of King Solomon fades; have you seen how a person can start well in his/her walk with the Lord and then turn away? What do you think cause this? What can you do to prevent this in your own life?

HOMEWORK

Our next series from our Pastor will have to do with equipping the saints to do evangelism. Get a head start and begin asking God for those he would have you to share your faith with. Get excited ... things are about to EXPLODE around here!
