

FOR THE WEEK OF: April 21st, 2002

TITLE: Peace in the Middle East

MEMORY VERSE: "Pray for the peace of Jerusalem." **Psalm 122:6a**

ANNOUNCEMENTS AND REMINDERS

1. We received a ton of "frequently asked questions" and potential answers from your Small Groups. Thank you for taking the time to compile those last week! If there is one that you specifically want answered and is not explained in the upcoming evangelism series, please contact us.
2. We are going to start assembling a Small Group directory, which will hopefully turn into a Church-wide directory! Please begin to collect the contacts (name, address, phone number, email, etc...) of every group member and send them to us as soon as possible.
3. The new Tabernacle Team's first two weeks have gone GREAT! Three Small Groups in the morning and three at night have made the set-up and tear down smooth and joyous! We hope that each group will have a chance to participate in this unique ministry before we move to a permanent building.

SERMON REFLECTIONS

4. How does knowing that the world will end soon change your way of living?
5. Why are the Jews and the Arabs fighting? How are they related? Use Scripture.
6. How is Satan trying to copycat God? (**Revelation 7:1-2, Revelation 14:1**) There are also many examples that Miles did not discuss. Can you list some?
7. Name the line of descendants that the 144,000 will come from. What is the significance of that number? (**Genesis 12:1-4, Genesis 15:1-7, Genesis 17:1-8**)

DAILY BIBLE READING

8. Have each member share how and what they study in their quiet times. This is going to be a time of accountability and encouragement. If other group members are struggling with their devotions, pray for them and encourage them in their walk.
9. Go around the room and share the names of the unsaved people you are praying for.

HOMEWORK

This week, write down the names of those unsaved people and pray that their hearts would be open to receive what you are going to share with them, because the evangelism series is starting next week!
