TITLE: It Ain't About You Mo

MEMORY VERSE: "God said to Moses. 'I Am who I Am...'" Exodus 3:14a

Got Plans? The ROCK Academy needs your help this Saturday, July 14th. We will be doing some landscaping at The Academy (i.e. irrigation, planting and sod). If you can spend part of your day blessing our school, please contact Kristi G at krisitg@therocksandiego.org or 858.455.7625 x240.

SERMON REFLECTIONS

1. Satan is the master condemner. What has he been trying to condemn you of in your life lately?
2. What does the burning bush symbolize? The acacia bush is common in the desert and it has long thorns, symbolically in the Bible it represents sin. Fire, as you know, is a metaphor for purging. What is the message behind the bush burning, yet not being consumed? What is your personal definition of grace?
3. Listening to Miles' sermon and attending church on Sunday is just the foundation for your spiritual life. We need to allow the Holy Spirit to build on that foundation. How can He do that in your life? What are His building materials? What gifts has God given you and how are you using them?

DAILY WALK - PROVERBS

4. **Proverbs 22:1** talks of the importance of a good name. How does one go about establishing a good name? **Proverbs 24:3** states that through wisdom, a house is built and by knowledge its rooms are filled. What condition is your "real" home in today?

DIGGING DEEPER (from Stone Tablets)

5. Why did God "ambush" Moses in **Exodus 4:24-26**? What is the lesson behind this encounter?
6. Why was Moses "temporarily disqualified"? Read **Numbers 20:1-12**. How is it possible for us to misrepresent God today? (KEY: Don't let Satan condemn you here... remember Moses' disqualification was only temporary!)
7. What are some of the attributes of Moses that we should seek to emulate? Read **Hebrews 11:23-29**.

HOMEWORK: List the reasons you are giving to God that are excuses that are keeping you from doing what He was called you to do? PRAY for one another!
