TITLE: Good Leader – Bad Leader – Numbers 13-14

MEMORY VERSE: “Surely He has borne our griefs and carried our sorrows.” Isaiah 53:4a

AWE yeah, GOD is good! Join us this Friday, August 2nd, 7 – 9 p.m. at the Gold’s Gym Peninsula Athletic Club for our Alternative Worship Experience. For more information, contact TommyM@therocksandiego.org or (619) 742-5097.

SERMON REFLECTIONS

1. Who are you leading? Just because you don’t see yourself as a leader does not mean you’re not being followed (at home, at work – remember, you’re always being watched). How does your attitude and perspective shape your leadership?
2. Read **Numbers 13:28-14:4**. As you read this passage list the BAD leadership traits. Share a time with your group that you either provided BAD leadership or were following a poor leader. What lessons did you learn?
3. Read **Numbers 14:6-24**. As you read this passage list the GOOD leadership traits. Share a time with your group that you either provided GOOD leadership or were following a great leader. What lessons did you learn?

DAILY WALK - ISAIAH

1. Go ahead and have your Small Group read aloud **Isaiah 53**. Focus your praise and adoration on Jesus Christ. (We hope to see you at our A.W.E. this Friday!)

DIGGING DEEPER (from Stone Tablets)

1. What are some of the consequences of NOT believing God’s promises?
2. Read **Acts 14:22** and **John 16:25-33**. What do these passages teach us about life in general?
3. What are some things that you can do to become a better leader? (Write them down and give them to your accountability partner so you can follow up with each other!)

HOMEWORK: Spend some time alone with God, praising and thinking Him for all that He has done in your life. If you cannot join us for Friday night’s A.W.E., please be praying for those in attendance.
