SERMON REFLECTIONS

1. GIANT Killers know when to grow up! What GIANT in your life does God want you to take on today? Why is FAITH your main weapon in this battle?.
2. GIANT Killers give God all the credit! Call to mind all the times God has come through for you. Don't let the devil steal your godly memories. Share some of your GOD stories with your fellowship. Read **Colossians 3:2; Philippians 2:1-4.**
3. GIANT Killers finish the job! The Bible states that obedience is better than sacrifice. What areas in your life is God calling you to be obedient in?

DAILY WALK

1. **Micah 6:8** is the **John 3:16** of the Old Testament. In the New Testament, **John 3:16** answers the question, "How can sinful man and holy God be restored to fellowship with one another?" In the Old Testament, **Micah 6:8** answers the same question for God's covenant people. What does this verse teach about what God reveals, what God requires, and whom God restores?

DIGGING DEEPER - Questions from the STONE TABLETS. Take a moment to read over the section of your bulletin entitled: The Greatness of David

1. What does the phrase "having a heart for God" mean to you?
2. What FAITH examples in David's life, besides Goliath, can you call to mind?
3. How did David humble himself before the Lord?

HOMEWORK: Spend some time praying for three people that are "too busy" for anything more than Sunday services. Encourage them this week to get into a Fellowship today!
