

SMALL GROUP FELLOWSHIP: November 17, 2002

Come celebrate with us!!! Can you believe it's already been a year since we had our foot washing and started the Nehemiah Project? We want to celebrate what God has done through our Small Groups and ROCK leaders, and would be blessed to have you join us. Mark your calendar for **Tuesday, December 3** (*not December 2 as was listed in last week's announcements*) **from 6:30 p.m. to 8:30 p.m. at the Scottish Rite Center in Mission Valley.** Questions? Need more info? Check with your Small Group Facilitator or email melissak@therocksandiego.org.

ARE YOU BEING CALLED OUT? Out of your comfort zone and into leadership? Join us for our Small Group Training on **Sunday, December 8 from 3:00 – 4:45 in Casa Real.** We will also cover Altar Call and Prayer to inform you on the new procedures. Whether you want to Host, Facilitate, or just learn a little more, plan to join us!

TITLE: WHO'S YOUR DADDY? PART 4

MEMORY VERSE: For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse.
Romans 1:20

SERMON REFLECTIONS

1. Take a moment to read over the Stone Tablets and reflect on Miles' sermon. Share with your Group how water and Jesus are related. (**John 4:13-14, John 7:37-38, Revelation 21:6, Revelation 22:17**)
2. Share with you Group all that you learned concerning thorns. (**Genesis 3:18, 2 Samuel 23:6-7, Eccl 7:6**) What was the symbolism behind Jesus wearing a crown of thorns?
3. How has the evidence presented thus far in this series challenged your thinking about origins? What has it changed about the way you look at the Bible? What has it done for your faith?

DAILY WALK

With The ROCK University offering an Ecclesia Series class on the Book of Romans, we felt it was appropriate for the instructor, Pastor Kyle Osland to give us our discussion questions for the week as we conclude this epistle.

1. When Paul says that we are in Christ, what does he mean (**Romans 8:1**)?
2. If the cultural issue of Paul's day was whether or not Gentiles should be circumcised, what would be our issues today (i.e. sexuality, music etc.)?
3. What use does the Law have today?
4. Are the Jewish people who don't know Christ going to be saved?
5. Where does God's sovereignty end and our free will begin? (Are they compatible?)

If you have any questions, Kyle would love to correspond via e-mail with you – kyleo@therocksandiego.org

Who are the Evolutionists (Theistic or Atheistic) in your life? Spend extra time praying for them, and pray for a divine appointment to share what you have learned over the past few weeks. If you don't know what those around you believe about Creation / Evolution, why not ask them this week?

"Therefore encourage one another and build each other up, just as in fact you are doing."
