

MINISTRY FELLOWSHIPS: December 29, 2002

Welcome to our **Ministry Fellowships!** This allows our faithful servants to be **connected** to The ROCK without having to commit to a "traditional" Small Group Fellowship as well. Before you are off to minister to the community, please spend a few minutes discussing the questions below. For accountability and feedback, please remember to submit a "report" and let us know how God is moving through your ministry as well as any thoughts or suggestions you may have. Have you signed up to help with SUPPER BOWL IX? It's coming to City Heights Park on Saturday, January 18! We still need a good 500 volunteers and training dates are coming up soon! To get involved, email Tholde1872@aol.com or call (858) 455.7625.

MEMORY VERSE: You shall love the Lord your God with all your heart, with all your soul, and with all your strength. Deuteronomy 6:5

SERMON REFLECTIONS

(KYLE) In order to hear and understand the voice of God, especially in regards to God's *revealed* will, how can we better hear His voice? In other words, how do we transform our minds to be more in tune with hearing the voice of God? (**Romans 12:1-2**)

(DARREN) According to DC, what are excuses like? What are some of the excuses you have made over the last year that have kept you from growing and maturing spiritually?

DAILY WALK

This week our reading takes us from **John 1-3**. Make sure your Group reviews these chapters. *The following questions are just to get you started, use them to discuss the things the Holy Spirit brings up within your Group.*

Read **John 1:14-18**. What two words does John use to describe Jesus in verse 17? What implication does that have for the Christian and His message? What does the word gospel mean? Can you see this message is gospel?
