Title: What does Wisdom Say? Part 6, Worker Ants

MEMORY VERSE: Do you see a man who excels in his work? He will stand before kings; He will not stand before unknown men. **Proverbs 22:29**

SERMON REFLECTIONS

In **Proverbs 6:6-11**, Solomon discusses the ant and its work ethic. Here are some things to discuss concerning work ethic, etc.

1. As Christians, we need to have a better work ethic than those in the world since we are working as unto the Lord. How does your work ethic need to change? (**Neh 4:6, Ps 101:3**)
2. When God gives you a task, you have to be diligent to complete it. What is the definition of diligence? Who do you know that has been a diligent worker? (**Prov 10:4, 2 Cor 8:22**)
3. You never see an ant sitting around talking, what about you?

CLOSER WALK (Philippians)

Read **Philippians 3:12-16**. What are the things you need to forget about in your life? What is God calling you to "press on" to accomplish in your life?

**"Therefore encourage one another and build each other up, just as in fact you are doing."
1 Thessalonians 5:11**
