## SMALL GROUP QUESTIONS – “THE INVISIBLE MAN”

### *Getting Started*

If you weren't aware, Miles is going through a series called “BUBBLES,” which is a series on prayer. He describes this image of a little boy blowing bubbles in a field. And as the field begins to be covered in bubbles, these giant, motley-colored bubbles descend from the sky and begin to pop around the little boy. As one pops, the boy suddenly feels encouraged; as another pops, he is filled with knowledge; and another pops, he's filled with vision and direction.

The bubbles blown by the little boy are his prayers to God; and the giant bubbles from the sky are God's replies to the little boy's prayers. Share with the group your top two prayer requests: one that is fairly light (i.e. project at work/school, argument with friend, etc.) and one that is fairly heavy (sick family member, economic stress, etc.).

### *Digging Deeper:*

This past Sunday at the Rock, Miles led the congregation through his prayer model: A.W.C.I.P.A.

This week in our small groups, we are asking all our groups to take this week to pray together as a family using AWCIPA as a way to structure the group time. As a suggestion, use about 5 to 10 minutes per letter when praying through AWCIPA. Although you will be using the AWCIPA model, feel free to flow with the Holy Spirit if you feel your group is led to go elsewhere with prayer.

**“A” is for ADMIRE.** Take a few minutes just admiring God through a few sentences per person (i.e. “God, I admire because \_\_\_\_\_...”). **Read Psalms 104:1-4**

**“W” is for WAIT.** Take several minutes and just wait in silence. Take note of anything particular that enters your mind. After a few minutes, take some time to share what God may have spoken to the people in your group. **Read Psalm 37:3-7**

**“C” is for CONFESS.** This time is for personal confession of any sin that may have been weighing down on any of you. **Read Psalms 130:1-8.** take some time in silence and solitude to journal your confessions OR you can break up in pairs and confess to one another.

**“I” is for INTERCEDE.** Take some time in intercessory prayer, which is basically time set aside for praying for other people. Read **James 5:13-16**. We are to pray for one another. Take turns praying out-loud for other people outside your group.

**“P” is for PETITION.** This is a time for praying for yourselves. **Read Luke 11:9-11 and John 15:7-15.** Jesus wants us to ask Him for whatever it is we need. Take some time in praying for the **BIGGEST MIRACLES** you could imagine.

**“A” is for ADMIRE** (again). Close out your time together in just praising God for who He is and what He’s done in your life...

***Bringing it Home:***

Who is someone you would love to teach the AWCIPA model with?
