Brief Description of Major Duties: Provide technical maintenance and recovery support to the local or wide area networks. Installs, implements, and supports network equipment, computer systems and software. Will interface with vendors and maintenance providers to service and maintain systems, will implement necessary measures to limit computer downtime, will provide technical support to optimize system performance. Answer questions or resolve computer problems for Rock Church and Rock Academy staff in person, via telephone or from remote location. Incumbent will work under the moderate to general supervision of the Information Technology Director. Maintains the network's physical and logical structures, including all network connections. Performs routine maintenance, and applies vendor updates to software. Prepares training courses and provides user support and training in the use of available hardware, software, and utilities. Conducts product evaluations of upgraded or new hardware and software identifying strengths, weaknesses, and potential benefits to the agency. Communicates with vendors, users, management, and network programming staff. Performs routine backups and archival of files stored on the network to assist in recovery efforts. Serves as contact for remote network locations to obtain clarification of problems and to identify solutions or corrective actions. Analyzes user support statistics and other data and recommends appropriate measures. Assists in maintaining the operating system and security software utilized on the network, including the addition of new users to the network and establishment of rights and privileges. Assists in establishing policies and procedures for use of network facilities. Assists in maintaining the local area network or wide area network, cable and hub installations, inventories, and other related duties.

Qualifications & Requirements: Christ-centered behavior (treating people with dignity, respect, compassion and integrity at all times). Two or more years experience with computer and network support. High school diploma or GED. A+ Certificate is preferred. Customer service oriented mindset. Pleasant, professional personality and appearance. Considerable knowledge of computer systems and office automation. Working knowledge of local area networks (LANs). Ability to install and operate a variety of software programs. Ability to maintain existing software programs and computer systems. Ability to troubleshoot common hardware and software problems. Ability to meet project deadlines. Ability to establish and maintain effective working relationships with supervisors, employees and service representatives. Ability to communicate effectively orally and in writing. Ability to work well under short deadlines, juggle multiple priorities, recognize and respond to urgent requests, and quickly adjust to changing priorities. Self-motivated and flexible in nature to handle other duties and special projects as needed. Signed acknowledgement of the Rock Church Statement of Faith. Regular involvement in the Rock Church activities and events. Adheres to policies and procedures as stated in the Rock Church employee handbook. Member of the Rock Church.

To be considered for this position, outside applicants are required to complete Application for Employment; in-house applicants are to submit an updated resume. Employee's performance and attendance record will be taken into consideration at the time of the selection process. Selection for an interview does not guarantee promotion or appointment to the position. As part of the employment process, The Rock Church may obtain a Criminal Record Check.

The Rock Church provides reasonable accommodations to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process, please notify Human Resources. The decision on granting reasonable accommodation will be on a case-by-case basis.

Full consideration will be given to all qualified applicants without regard to race, sex, color, age, physical handicap, or national origin. As a Christ-oriented, Bible-believing organization, The Rock Church does reserve the right to exercise preference on the basis of religion in all of its employment decisions.

To apply please visit the website at www.therocksandiego.org and fill out the application and email application and resume to hr@therocksandiego.org . Or mail application and resume to Human Resources, 2448 Historic Decatur Road #105, San Diego CA 92106. All mailed applications must be received by the closing date to be considered for the position.
