

**Who's Your Daddy? Part 3**  
**What a Difference a Day Makes!**  
**Genesis 1:6-8**  
 November 10, 2002

Why is a six-day creation important? \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**GAP THEORY** – There were 5 billion years of life on Earth ending in \_\_\_\_\_ and \_\_\_\_\_ between Genesis 1:1 and 1:2.

The Bible says it was \_\_\_\_\_ and there was \_\_\_\_\_  
 \_\_\_\_\_. *Gen 1:31*

**DAY AGE THEORY** – Each “day” was actually an “age” or “long period of time” of about 1 billion years. This is an attempt to fit the billions of years needed by evolution into Genesis.

**EVIDENCE FOR A 24-HOUR PERIOD**

1. The Hebrew word used for “day” is “Yom”. Outside of Genesis 1 “Yom” is used in association with a number \_\_\_\_\_ times (i.e.: “first day”.)  
 Of the \_\_\_\_\_ times, guess how many refer to a 24-hour period: \_\_\_\_\_.
2. Outside of Genesis 1, "Yom" is used with the phrase "evening and morning" \_\_\_\_\_ times. It means “a 24-hour day.” \_\_\_\_\_ times.
3. Six times in Genesis 1 **God said**, “So the **evening and the morning** were ...” rather than “**morning and evening**” – The Jewish day begins in the evening, ending the following evening (this includes the next morning) thus “**evening and morning.**”
4. **The Sabbath would be millions of years** - *Ex 20:8-11* and *Ex 31:14-18*. God worked six days then rested, therefore man shall work six days and rest.  
**Moses wrote Genesis** – *Num 12:8 I speak with him face to face, even plainly, and not in dark sayings. Ex 33:11*  
**God himself** wrote the Ten Commandments (*Ex 31:18...written with the finger of God*). He certainly knows what a day means to us.

5. In Genesis 1, the words “**day and night**” were used nine times to symbolize a normal 24-hour period.
6. In Genesis 1:14, the “sky lights” (stars) were given to distinguish **days, years and seasons.**

**IRREDUCIBLE COMPLEXITY**

Plants were created on day three, the sun was created day four, birds were created day five and insects were created day six.

**If “days” were “ages” of billions of years...:**

7. **Plants** could not live billions of years without \_\_\_\_\_, or the birds and insects to \_\_\_\_\_ them.
8. **Insect-\_\_\_\_\_ animals, birds, bats** and others could not live 1 billion years without the insects that they eat.
9. **There was no death** until after Adam sinned. *Rom 5:12-15, 1 Cor 15:21-22.*  
*1 Cor 15:21-22 For since by man came death, by Man also came the resurrection of the dead. For as in Adam all die, even so in Christ all shall be made alive.*

Animals and man were all vegetarians – *See Gen 1:29-30 and Gen 9:3*

**7 CONDITIONS BEGINNING IN GENESIS  
 TO BE RESTORED IN REVELATION**

1. Sin entered the world/will be removed - Gen 3/ Rev 21-22
2. Death introduced by the first Adam/removed by second Adam – Gen 3:24/ Rev 21:4
3. Man was driven from Eden/will be restored – Gen 3:24/Rev 22
4. Access to the Tree of life denied/will be restored -Gen 3:24/Rev 22:14
5. Marriage of the first Adam/second Adam - Gen 2:18-23/Rev 19
6. Suffering enters the world/will be removed - Gen 3:17/Rev 22:4
7. Man’s dominion ended/will be restored – Gen 3:24 - Rev 22
