

It Ain't About You, Mo!

Exodus 3-4

October 10, 2004

3. Moses feared being viewed “**in-credible,**” so God **empowered** him. Therefore we must apply His strength.

4. Moses focused on his **inabilities,** so God **enlightened** him of his design. Therefore we need to appreciate our design.

5. Moses expressed **insubordination,** so God equipped him with a partner. Therefore, we must secure assistance in our ministry.
