

Lord of the Things II
Lordship Comedy
Matthew 7:21-27
January 16, 2005

Lord of the Things is a series on personal stewardship and a guide to the biblical management of the resources with which God has blessed you. The foundation of lordship is complete, unshakable obedience to the Lord.

Lordship Context

There is a house to be built: describe your eternal purpose and discover your house.

There is a Lord: describe the foundation of security in life and you will discover your lord.

There is a kingdom: identify your lord and you will discover his kingdom.

There are fools and wise men in the kingdom. Identify someone who obeys and you will see a wise man. Identify someone who ignores God's Word and you will see a fool.

Lordship – the practice of complete submission to Jesus as owner and controller of all things pertaining to your life.

Comical Lordship

My partial obedience is the same as my complete disobedience.

Partial obedience can be **selective** obedience: obeying what we choose based on our feelings.

Partial obedience can be **situational** obedience: obeying what we choose based on the situation.

Biblical Lordship

Complete obedience is regularly hearing God's Word: reading, studying, memorizing, discussing and consistently putting it into practice every chance I get.

One Lordship Warning

Storms are coming. Avoid the great crash and set your feet on THE ROCK.
