### Ministry to the “least of these”...

1. **does not require recognition.**

*The “least of these” cannot necessarily increase your status, pay you back or always express gratitude.*

2. **is not always calculated and planned.**

*Ministry is not always predictable.*

3. **provides help in everyday needs.**

*Effective ministry is often very simple – food, water, or spending time with someone.*

4. **always brings eternal blessings.**

*Ministry to others is ministry to Jesus Himself.*

**Next Step:** Find a ministry and begin serving!
