

Who is Jesus Really?

Part 5, Christ

Pastor Miles McPherson – April 30-May 1, 2005

The “*Who is Jesus Really?*” series is designed to maximize the ability of the people of the Rock to understand and defend the identity of Christ as outlined in the Bible.

How the Disciples Referred to Jesus:

1. Peter called Him the Christ. *Mark 8:29*
2. Nathanael called Him Rabbi, Son of God, and King of the Jews. *John 1:49*
3. Thomas called Him Lord and God. *John 20:28*
4. James called Him God and Lord Jesus Christ. *James 1:1*

The Disciples’ belief in Jesus as God is best validated by what they did:

1. They left all they had to follow Him. *Matthew 4:18-22, 9:9*
2. They taught a foolish message. *Acts 2:22-24, 36-39*
3. They were led by and relied on His promised Holy Spirit. *Acts 4:13*
4. They suffered persecution, rejection, and violent deaths because of their faith. *John 5:17-18*

Homework: As you read through the gospels identify Christ’s claims for His own deity, the titles the Disciples use to refer to Him, and the things they were willing to do for Him.
