

# Who is Jesus Really? Part 6

## Jesus is the Truth

Pastor Miles McPherson – May 7-8, 2005

The “*Who is Jesus Really?*” series is designed to maximize the ability of the people of the Rock to understand and defend the identity of Christ as outlined in the Bible. Jesus’ critics did more to prove His deity than disprove it.

A **critical person** is someone who is inclined to find fault in someone else.

### How Jesus’ Critics Tried to Destroy Him:

1. They had false witnesses spread lies about Jesus because He taught with great authority and wisdom. *Matthew 26:57-60*
2. They accused Jesus of blasphemy because He claimed to be God in the flesh. *Matthew 26:60-66*
3. They kicked Jesus when they thought He was down, mocked Him while He suffered, and attempted to discredit His claims to save others. *Matthew 27:38-44*
4. They guarded the tomb Jesus was buried in because He promised to rise three days after He died. *Matthew 27:62-66*
