

Transformed by Faith, Part 6

Transformation Supernaturalness

Pastor Miles McPherson – November 5-6, 2005

Mark 6:45-56

The **supernatural life** that spiritual transformation brings can only come if you completely **surrender** to God.

Three Ways to Surrender Control to God:

1. Get in the boat and go where Jesus sends you.

2. Stop trying to control the boat and begin riding the waves, or circumstances of life.

3. Step out of the boat and follow Jesus into the unknown.

Homework: Complete the questions on the back and bring this lesson plan with you to small group this week.

Homework Questions

Bring this with you to small group this week.

1. Using **Mark 6** and the three specific actions Miles outlined to surrender control to God, relate the disciples actions to the actions of surrender.

2. **Mark 6:30-44** tells the story of the feeding of the 5,000. Compare this story to **Mark 6:45-56** and explain how the feeding of the 5,000 also follows the three step model for living a super natural life.

3. Write down how God is specifically calling you to “get out of the boat”.

4. Read what the Bible says about these struggles. What promises of God can you claim and use to support you in your decision to get out of the boat?

5. **Deuteronomy 28:2** says, *All these blessings will come upon you and accompany you if you obey the LORD your God.* What potential blessings can come out of your obedience to step out of the boat?
