Homework Questions

Bring this with you to small group this week.

1. Examine your own life for areas of unbelief. What promises of God do you struggle with the most? Is there something God has told you directly through prayer that you don't believe?

Fill in the blank: I don't believe _____.

2. Consider that for every thing you don't believe, you believe something else about that same thing. For example, if you don't believe that God loves you (statement of unbelief) you still believe *something* about the love of God. Maybe you believe that you are not capable of being loved by God or, perhaps, that God only loves certain kinds of people. Think about what you don't believe to be true. What do you believe in its place?

3. Imagine your life without those areas of unbelief. Who could you be in God's kingdom? What struggles in your life would simply disappear if you conquered unbelief?

Finish the sentence: If I didn't battle _____ (area of unbelief), I would be free to _____.

4. God's Word is the most powerful weapon we have in fighting the battle of unbelief. What promises from God's Word can you claim to help you fight the battle of unbelief?
