## Homework Questions

Bring this with you to small group this week.

1. Think a little about the following verses. Resting and holiness: how are those two realities connected? How does resting in God's presence make us Holy?

**How does resting in God's presence set us apart for a Divine purpose?**

- **Psalm 23:1-4**- How are we prepared for a divine purpose in the presence of the Shepherd? What are some of the things that happen to us in the restful presence of the Shepherd?

- **Hebrews 10:19-23**- When we enter God's presence (i.e., the most holy, V. 19) what are we naturally compelled to do? Why do you think that's true?

- **Psalm 37:5-7**- How do others end up seeing you when you are "still" before God (V. 6)? Why do you think it works that way? Why do you think being still before God shapes the view others have of you?

- **Isaiah 40:12-31**- This passage is a little long but it will be worth it if you spend a little time with it. When you stop, rest, and reflect on this view of God how does your perspective change on his ability to achieve his plan? What does it do to your confidence in Him? How does it change your desire to align yourself with His divine purposes?

2. What are some of the things you can do to center your mind in God's presence, and in so doing, thwart the strategy of Satan? Read the following verses and give some practical examples of what that would look like in your life.

**Colossians 3:1-4, Psalm 119:36-37, I John 15:15-17**

3. Think about your own life for a moment. Think about who you are, the culture in which we live, your temperament, your schedule and your personal environment (i.e., home, work and/or school). What component of your life might get in your way of stopping and resting in the presence of God?
