

# Code Breakers Part 3

## Code of Conspiracy

Pastor Miles McPherson – May 20-21, 2006  
Memory Verse – John 1:1

The Code is powerful only if you believe the conspiracy that it implies. Once the conspiracy is exposed as the hoax that it is, the power and influence of the Code is weakened.

The Code implies that our faith is the result of a conspiracy. Here are 6 reasons why that just doesn't add up.

1. The Bible is brutally                   honest                   about the good and bad of the people in it.

---

---

2. The Messiah is                   described                   in the O.T. 1400 - 400 B.C.

---

---

3. Jesus' followers                   confess                   Him as Lord and Messiah. Matthew 16:13-17  
John 20:26-28

---

---

4. Over one million Jesus followers                   died                   for their faith from A.D. 64 - 313.

---

---

5. Constantine is                   converted                   and makes Christianity a state religion, A.D. 313.

---

---

6. The Council of Nicea                   affirms                   Christ's deity, A.D. 325.

---

---

Rock Small Groups are in the middle of a special 4-week series studying the Da Vinci Code. Our normal small group questions will return the week of June 19.

You can purchase a CD copy of this message and previous messages in the Rockpile Store after service or online at [www.rockpilestore.com](http://www.rockpilestore.com).
